### 2018 Measurement Report

The Lewis County Industrial Development Agency delivers economic development services to business and industry to strengthen the Lewis County tax basis and enhance community development. The LCIDA supports private business, non-profit and community projects to encourage job creation, investment and revitalization.

The LCIDA Board of Directors looks at objective and subjective items to measure the performance of the organization. Objective measurements include the following:

- Number of small businesses assisted – 57 businesses
- Number of projects completed (PILOT or loan) – 3
  - Skewed Brewing Loan - \$29,500
  - Arborcare Loan - \$25,300
  - Johnson Lumber PILOT Agreement
- Number of training events provided – 7 Events

For 2018, the following information can be reported:
