Resolution No. 0521-05

**RESOLUTION CONCURRING IN THE DETERMINATION BY TOWN OF
LOWVILLE TOWN BOARD, AS LEAD AGENCY FOR THE ENVIRONMENTAL
REVIEW OF THE SOLITUDE SOLAR, LLC (5 MW – UNIT A) PROPOSED PROJECT.**

WHEREAS, County of Lewis Industrial Development Agency (the “Agency”) is authorized and empowered by the provisions of Chapter 1030 of the 1969 Laws of New York, constituting Title 1 of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York, as amended (the “Enabling Act”) and Chapter 62 of the 1973 Laws of New York, as amended, constituting Section 902 of

said General Municipal Law (said Chapter and the Enabling Act being hereinafter collectively referred to as the “Act”) to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining, equipping and furnishing of commercial facilities, among others, for the purpose of promoting, attracting and developing economically sound commerce and industry to advance the job opportunities, health, general prosperity and economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct and install one or more “ projects” (as defined in the Act) or to cause said projects to be acquired, constructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in March, 2021, Solitude Solar, LLC, a New York State limited liability company (the “Company”), submitted an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in a portion of an approximately 252 acre parcel of land located at 5785 Waters Road (tax map no. 213.00-01-46.000) in the Town of Lowville, Lewis County, New York (the “Land”), (2) the construction on the Land of an approximately 5MW AC (7.488 MW DC) community solar photovoltaic facility, including fencing, screening and ancillary electrical equipment (all said improvements being collectively referred to as the “Facility”) and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other personal property (the “Equipment”), all of the foregoing to constitute a solar energy generating facility to be owned and operated by the Company (the Land, Facility and the Equipment being collectively referred to as the “Project Facility”); (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on March 4, 2021 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Executive Director of Economic Development of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on April 14, 2021 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on April 16, 2021 at 5535 Bostwick Street in the Town of Lowville, Lewis County, New York, as well as on the Agency’s website, (C) caused notice of the Public Hearing to be published on April 15, 2021 in the Watertown Daily Times, a newspaper of general circulation available to the residents of Town of Lowville, Lewis County, New York, (D) as a result of the ban on large meetings or gatherings pursuant to Executive Order 202.1, as supplemented, and the suspension of the Open Meetings Law relating to public hearings pursuant to Executive Order 202.15, as supplemented, each as issued by Governor Cuomo in response to the novel Coronavirus (COVID-19) pandemic, conducted the Public Hearing on April 27, 2021 at 1:00 o’clock p.m., local time via electronically, as well as in person, and (E) prepared a report of the Public Hearing (the “Public Hearing Report”) fairly summarizing the views presented at such Public

Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), the Agency has been informed that (1) the Town of Lowville Town Board (the "Town Board") was designated to act as "lead agency" with respect to the Project, and (2) the Town Board issued a Determination of Non Significance on May 19, 2020 (the "Negative Declaration"), attached hereto as Exhibit A, determining that the acquisition, reconstruction, renovation and installation of the Project Facility will not have a "significant effect on the environment"; and

WHEREAS, the Agency is an "involved agency" with respect to the Project and the Agency now desires to concur in the determination by the Town Board, as "lead agency" with respect to the Project, to acknowledge receipt of a copy of the Negative Declaration and to indicate whether the Agency has any information to suggest that the Town Board was incorrect in determining that the Project will not have a "significant effect on the environment" pursuant to SEQRA and, therefore, that no environmental impact statement need be prepared with respect to the Project;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF COUNTY OF LEWIS INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. The Agency has received copies of, and has reviewed, the Application, the environmental assessment form and the Negative Declaration (collectively, the "Reviewed Documents") and, based upon said Reviewed Documents, the Agency hereby ratifies and concurs in the designation of the Town Board as "lead agency" with respect to the Project under SEQRA (as such quoted term is defined in SEQRA).

Section 2. The Agency hereby determines that the Agency has no information to suggest that the Town Board was incorrect in determining that the Project will not have a "significant effect on the environment" pursuant to the SEQRA and, therefore, that environmental impact statement need not be prepared with respect to the Project (as such quoted phrase is used in SEQRA).

Section 3. The members of the Agency are hereby directed to notify the Town Board of the concurrence by the Agency that the Town Board shall be the "lead agency" with respect to the Project, and to further indicate to the Town Board that the Agency has no information to suggest that the Town Board was incorrect in its determinations contained in the Negative Declaration.

Section 4. This Resolution shall take effect immediately.

The question of the adoption of the foregoing Resolution was duly put to a vote on roll call, which resulted as follows:

Joe Lawrence	VOTING	YES
Gagan Singh	VOTING	ABSENT
Ronald Burns	VOTING	ABSENT
Jerry Cayer	VOTING	YES
Tom Gillette	VOTING	YES
McKenzie Lehman	VOTING	YES
Darlene Rowsam	VOTING	YES

The foregoing Resolution was thereupon declared duly adopted.

STATE OF NEW YORK)

Full Environmental Assessment Form
Part 3 - Evaluation of the Magnitude and Importance of Project Impacts
and
Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

The Town Board noted that the potential use for solar energy development would not cause any elevated noise except for the brief construction period, nor any air emissions. There would be minimal disturbance to soil and vegetation. The nature of the potential project is such that it would not create an additional demand for public services. Solar energy is a renewable resource and the use of panels provides clean, renewable energy which assists the State of New York in meeting its renewable energy portfolio goals.

Determination of Significance - Type 1 and Unlisted Actions

SEQR Status: Type 1 Unlisted

Identify portions of EAF completed for this Project: Part 1 Part 2 Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the
Town of Lowville Town Board as lead agency that:

A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.7(d)).

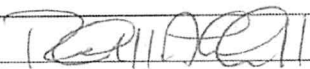

C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.
